Registration & Class Fees

Christina Cultural Arts Center has an open admissions policy. To keep classes affordable, fees are based on income and household size. Our fee scale makes it possible for everyone to explore creative expression. Payment may be made by check, cash or credit/debit card. Payment for class is due in full at registration. Customers in need of a payment plan must pay 1/3 at registration, 1/3 is due the 6th week of the session (10/06/09) and the balance is due by the 10th week (11/07/09) of the session. All accounts in arrears for 60 days or more will be sent to a collection agency which may adversely affect credit rating. At registration students in need of financial aid are required to provide proof of income. No refunds will be given after ten days from the date of registration or if there is a past due balance due to CCAC for any reason.

Disclaimer: After two consecutive unexcused absences, students will be withdrawn from the class. CCAC reserves the right to re-assign class room space and to cancel under-enrolled classes with a (7) seven day notice. Class or room changes will be posted in the Registrar's Office, in the Shipley Shipley and Market Street Lobby Areas. Reasonable attempts by telephone and/or e-mail will be made to communicate class cancellations due to teacher absences or under-enrollment after 5 weeks. Please listen to radio stations for cancellations for inclement weather and keep all telephone and email contact info.up-to-date in the business office.
