Christi Circle of Donors Society

As part of our 2009 Christi Awards Program, CCAC will pay tribute to the accomplishments of the areas most celebrated and under-recognized artists, educators, volunteers, and philanthropists with the launch of the Christi "Circle of Donors" Society.

The aforementioned "Circle of Donors" establishes a solid foundation for financial support to ensure that CCAC continues to make affordable arts education accessible to youth from low to moderate income families in a safe environment conducive to learning.

Contributions will be used to support CCAC's year-round Christi Award Education Program, the "School of the Arts" tuition assistance program, Early Childhood Arts Education and Family Literacy, parent education outreach, and other important programs and services offered at Christina.

General benefits for "Circle of Donors" society members making a gift of \$100 or greater

- Named as a founding member of the Christi "Circle of Donors" Society in all 2010 CCAC publications
- Invitation to an annual open house celebration and an unique opportunity to create relationships with CCAC student-artists and faculty
- Receive CCAC e-newsletter
- Your gift is 100% tax deductible!

"Circle of Donors" Society members may reach the \$100 level by:

Making multiple contributions that total \$100 or more in the same calendar year! Donations can be made on a bi-annual, quarterly, or monthly basis.

An example of a bi-annual donor would be one who chooses to make two contributions in a single calendar year. Their gift total equals \$100 and qualifies the individual for membership into the prestigious "Circle of Donors" Society.
